

# Frewen Reserve (FRWN) A Heritage-Backed Digital Asset Representing the Frewen Jade Collection

---

---

**Issued By:**

Jonathan Briscoe Morten Frewen Di Tuttavilla

**Prepared By:**

Silver Line Worldwide

**Token Symbol:** FRWN

**Total Supply:** 1,000,000 (fixed, non-mintable)

**Chain:** Ethereum Mainnet

---

## Executive Summary

Frewen Reserve (FRWN) is an ERC-20 token representing beneficial ownership in a world-class Imperial-grade jade collection valued at approximately \$1.1 billion USD. The collection is securely stored under an SKR at Asprey Vaults in London. Frewen Reserve is not intended for public listing or retail investment; instead, it is designed to facilitate private asset swaps, including BTC/USDT trade structures with institutional partners.

---

## Asset Backing

- **Asset:** Imperial-grade jadeite collection (18th century)
  - **Appraised Value:** \$1.1 billion USD (as of recent independent valuation)
  - **Custody:** Asprey Vaults, London
  - **Control:** Title and custody remain with Jonathan Briscoe Morten Frewen Di Tuttavilla
- 

## Token Specifications

- **Name:** Frewen Reserve
- **Symbol:** FRWN
- **Supply:** 1,000,000 tokens

- **Implied Value Per Token:** \$1,100 USD
  - **Token Standard:** ERC-20
  - **Minting:** Not allowed
  - **Burning:** Permitted by holders
  - **Ownership:** Contract ownership will be transferred to the issuer's wallet upon deployment
- 

## Use Case

Frewen Reserve is a digital representation of a tangible asset for the purpose of structured private swaps. The token is specifically being issued to enable a short-term BTC/USDT acquisition for a high-yield arbitrage structure facilitated through an OTC Desk.

---

## Redemption Terms

Token holders may submit redemption requests through Silver Line Worldwide or the issuer. Redemption may be fulfilled via:

- Asset buyback
- Equivalent value transfer
- Other mutually agreed-upon mechanisms

Redemption is subject to availability, compliance, and custodial constraints. Physical delivery of assets is not guaranteed.

---

## Legal & Compliance

Frewen Reserve is a private digital token not registered with any securities regulator. It is not offered as a public investment vehicle. All transactions are conducted privately and are subject to the legal frameworks of the parties involved. FRWN tokens are not intended for listing on public exchanges without further regulatory review.
